SEA Prime: Strong traffic growth in April (+10% vs 2022) driven by the international success of the Milano Design Week

SEA Prime, which, with the Milano Prime brand, is a leading operator of business aviation airports in Italy and Europe, reported in April a solid monthly 10% traffic growth at **Milano Prime** Linate and Malpensa.

Over 980 movements were handled during the **Milano Design Week** alone (17-23 April), which in its 61st edition attracted a record 307,418 visitors, of which two third international, with over 2,000 exhibitors. With a peak of over 180 movements on Friday 21st April and 80 aircraft in night stops, **Milano Prime** confirms its crucial role, within the Milan airport system, as a gateway for international buyers and visitors to Milano's key events.
